

## **HIRING: Private Practice Registered Dietitian**

RD Emily LLC is a thriving nutrition practice based in downtown Washington, DC, and servicing the greater D.C./Maryland/Virginia area. The practice currently specializes in eating disorders, gastrointestinal disorders, weight-inclusive medical nutrition therapy and Intuitive Eating. Emily is looking for a compassionate clinician to join her team on a part-time basis (up to 20 hours per week), with the potential to grow into a full-time position.

The team member would primarily be responsible for individual nutrition counseling, including documentation and collaboration with other healthcare providers, as needed. Additional opportunities for group counseling, course development, written content or other creative endeavors may be available for interested applicants. This position involves remote and in-person work with flexible hours.

Emily works alongside clients with all backgrounds, body types, and identities from a non-diet, Health At Every Size® approach. She is looking for a team member who is similarly passionate about providing evidence-based, weight-inclusive care to *every body*. In order to best serve the diverse population of the DMV, clinicians with identities historically underrepresented in dietetics are encouraged to apply—including but not limited to those from BIPOC, LGBTQ+, and/or fat-positive communities.
